Dear friends, the time has arrived for another festive gathering as Muslims celebrate Hari Raya Aidilfitri. We have lined up special events and exclusive promotions for you. We would like to invite you to dine at the Dome Restaurant while feasting on Lambaian Desa Festival Buffet.

If you are going to be traveling home and away for the holidays, have a great time with your loved ones and safe travels.

On behalf of the management and staff *Selamat Berpuasa* and Happy Mother's Day.
